My mother is the sunken ruins of Atlantis and a Viking humorist.  
we've seen monsters, a button script written in advance,  
radar and sonar transparent.  
the pyramid is clean and most ferocious, white as polished ivory,  
a grip like King Kong, a transcendental universe.  
by looting an Atlantean temple barred by a silver gate  
an amateur archeologist ate your mind  
so you can shock your parents.
